Fishers' Community Parks

We encourage you and your family to spend time at your Town parks this season to enjoy what the great outdoors has to offer. Listed below is information about which parks are available in the Fishers Community and the amenities they each offer. To obtain a brochure, please stop in the Parks Department at Town Hall Monday through Friday, 8:30am to 4:30pm, or call 595-3150 to receive a copy.

Roy G. Holland Memorial Park – (formerly Fishers Community Park) This 34-acre park, located just north of 116th Street at Holland Drive in the Sunblest subdivision, offers a variety of amenities for all age groups, including: soccer fields, sand volleyball courts, baseball and softball diamonds, basketball courts, playground areas, restroom facilities, grills and picnic shelters. A 2,000 sq. ft. community building serves as the nucleus for this popular park site. The building is open from 8:30am to 4:30pm, Monday through Friday.

Wooded areas

Eller Fields – This 4.5-acre park is located on Eller Road. Eller Fields includes two lighted ballfields, a restroom facility and an ADA accessible playground for children ages 5 through 12.

Cumberland Road Park – This 40-acre park is located at the southwest corner of Cumberland Road and 106th Street includes seven soccer fields and a variety of picnic areas. The park also features a pedestrian bridge over Mud Creek and multi-purpose trails. A new community center will be completed in 2000. The wooded, natural setting this park provides makes it perfect for a picnic or stroll along Mud Creek.

Fishers Heritage Park at White River – Nestled along the banks of the White River, Fishers Heritage Park at White River will provide park land in a natural, wooded setting ideal for nature hikes, picnicking and enjoying the multi-use trail system. The park, located at 106th street and Eller Road, is the site for the Ambassador House, a relocated historic home earmarked for use as a museum of local history and welcome center.

Billericay Park – Fishers' newest park site, located at 126th Street and Promise Road, will offer a variety of amenities including youth and adult athletic fields. In June 1999, the Fishers Town Council voted to name the site "Billericay Park" in honor of the Town's sister city relationship with Billericay, England.

Town's sister city relationship with Billerica, England.
Development of this 29-acre park will begin in 2000.

Brook's School Park – Located at the Intersection of 116th Street and Brooks School Road, this 16.5 acre park offers two full-size soccer fields, basketball court, picnic shelter and tables, play grounds, horseshoe pits and walking path.

S.P.O.R.T.S is a not-for-profit, 501©(3) charitable organization whose purpose is to provide information to and solicit participation from all areas of the Hamilton Southeastern Community. This enables the various youth sports member organizations a means of communication, administration, coordination of efforts, fundraising, and planning programs, fields and facilities.

VOLUNTEERS ARE VALUABLE

The officers and board members of each youth league are volunteers who coordinate the overall program. All of the various youth sport leagues are in need of volunteers. The number of children participating has almost tripled in the last five years, while the number of volunteers has only increased by a few. There are many opportunities to become involved in each of these programs. Most leagues require positions from League Commissioners to Field Maintenance. There is, of course, time and effort involved. But the opportunity to truly invest ourselves in our kids is a unique part of the Southeastern Community.

Mission Statement

Our mission is to encourage fellowship through civic partnerships and citizen involvement by creating a safe environment, developing needed community services, promoting family integrity and striving to improve the quality of life for every Fishers' resident by investing in human potential.

Would you like to be a Festival sponsor? If so, please click [here](#).

Festival to Celebrate Thirteenth Year

Newcomers to the Fishers area might ask, "What is the Fishers Freedom Festival?" But those of you who have been here awhile might agree that it is as close to Uncle Sam and homemade apple pie as you can get!

Thirteen years ago, the founders of the Fishers Parade and Festival decided to have a community gathering to celebrate Independence Day. With the help of a few volunteers, this one-day community picnic with a parade and a few games for the children turned into an epidemic. This festival fever spread rapidly and quickly turned into a two-day event with so many activities for the entire family, everyone wants to catch the "fever."

Through the eyes of a child, it is a time when they can run and play all day, eat so much that they can't eat anymore, and never become bored. Imagine that! It is a safe environment with many educational opportunities, and the best part is the children don't even realize they are being educated. We even offer many things for parents too!

The Fishers Parade and Festival was incorporated as a not-for-profit corporation in 1991, became a member of the Fishers Chamber of Commerce in 1995, and a member of the International Festival's Association in 1998. In 1998, Fishers Parade and Festival Inc. d.b.a. Fishers Freedom Festival became a 501C-3 not-for-profit charitable corporation. Responsibility for the festival is in the capable hands of Jennifer Kehl, as Executive Director, and 40 volunteers who serve as event coordinators, co-coordinators, and currently have five members on the Board of Directors. During the actual festival weekend, an additional 150 or more volunteers are hard at work.

Many committee members donate up to thirty hours per week for at least three or more months of the year to make the festival a success. Several other committee members donate time during the entire year to provide the community with a safe and fun-filled family-oriented weekend with a strong Americanism flavor.

The Festival is supported one hundred percent by fund-raising events, booth space rentals, grants, and contributions from area businesses and residents. The Town of Fishers Council is a strong supporter of our festival and provides the necessary police, fire, and parks and public works manpower necessary to keep our event safe and successful.

A budget of \$145,000 was set for the thirteenth annual event, with \$10,000 of that budget to be used for our annual fireworks display.

Donations are always welcome and can be mailed to: P.O. Box 930 Fishers, IN 46038. You

can receive additional information by calling the Festival Hot Line at 595-3195.

The committee is always looking for good volunteers who can donate as much or as little time as possible. The committee is always looking for suggestions to improve our annual event.

We would like to thank the Thomas L. Grantham Co. for sponsoring our web site.

ABOUT THE CHAMBER

"Community Strength Through Business Involvement"

The Fishers Chamber of Commerce was chartered in 1991 as a non-profit organization serving businesses, professional groups and organizations in the Fishers, Indiana area.

The Fishers Chamber of Commerce is the "voice of the local business community" representing **over 470 members** who annually invest their financial support and volunteer manpower to promote the commercial, industrial and civic progress in the Fishers community. Our members have a strong belief in the immense growth potential of the Fishers area and realize that the chamber will play a key role in developing and shaping that potential. In its role as a spokesperson for the business and professional community, the chamber translates and takes action on common concerns of the membership. It acts as a civic clearinghouse, a public relations specialist, an information bureau and a research and promotion medium.

You do not pay dues to join the Fishers Chamber of Commerce. You make an investment in a proactive association that is committed to improving the economic development and quality of life in Fishers. Your dividend will be a prosperous, healthy and wealthy community in which your business can expand and flourish.

THE CHAMBER IS:

- An organization of business men and women dedicated to promoting commercial, industrial and civic progress in Fishers.
- A non-profit association of business and professional men and women.
- An association acting independently of any other private or governmental organization or group.
- The voice of the business community.

The CHAMBER IS NOT:

- A social club.
- Affiliated with any government agency - local, state or federal.
- A charitable organization.

Fishers is a vibrant community with a strong history of family values and successful business. Located in Southeastern Hamilton County, the community is situated in the heart of the fastest growth quadrant of the greater Indianapolis metro area.

The Town of Fishers has a rich history dating back to June of 1872 when Salathiel Fisher divided his land into town lots. The area was formerly known as Fishers Station, as this community developed along the railroad line. The rebuilt Fishers Train Station, located in the heart of town, is home to the Hoosier Heritage Port Authority, the Hamilton County Visitor's Bureau, and the Fishers Chamber of Commerce.

Presently, the Town of Fishers is rapidly becoming an upscale residential and commercial center. Approximately 750 businesses located within the community offer an outstanding array of goods and services that just keep getting better. In addition, Fishers has become a preferred location for corporate headquarters and residential subdivisions, while retaining its small town charm and cultural amenities such as Conner Prairie and Ritchey Woods Nature Preserve.

The housing market has something for everyone with a wide range of prices and pleasant surroundings. Many newer developments are on the upper tier of the price scale with good selections from \$100,000 to over \$1,000,000.

Residents are pleased with the high quality of academic education offered by the Hamilton Southeastern School Corporation. Of the corporation's seven elementary, two intermediate, junior and senior high schools, seven buildings hold a Four Star rating issued by the Indiana Department of Education. Both the Junior and Senior High Schools are members of the prestigious North Central Association of College and Secondary Schools.

Recreation and leisure opportunities abound with six parks, walking paths, several golf courses, community pools, a YMCA currently under construction, and a youth sports organization. Nearby Geist and Morse Reservoirs offer convenient access water recreation.

Area Statistics

Fire Chief, 52 full time, 18 part time, 36 volunteers; eight fire trucks, three ambulances, three boats, and three stations

Waste Removal

Several private companies provide this service within Fishers.

Sewage Treatment

Town System 3.9 MGD capacity (Million Gallons Per Day)

Housing

Several single family housing developments presently under construction in the town and adjacent area provide a wide variety of housing types served by all utilities. In addition to seven condominium projects, there are eight modern apartment developments with competitive rents. The Metropolitan Indianapolis Board of Realtors (MIBOR) is very active.

Taxes

Tax rate payable 1999

Incorporated:

Fishers-Delaware Township
Fishers-Fall Creek Township

\$9.19140 per \$100
\$9.17160 per \$100

Local property taxes are based on an assessed value equal to 1/3 of the True Tax Value which is based on fair market value of land, plus structure replacement cost (based on material and labor costs of 1991) less depreciation. State sales tax 5% on all retail sales – food products generally exempt

Recreation

Four community parks provide sports enthusiasts with playgrounds, baseball, volleyball, and soccer fields, basketball courts and multi-use trails. The multi-use trail system will eventually connect parks, schools, neighborhoods, retail areas, work places, and community facilities. The Fishers Parks and Recreation Department also offers a full range of youth and adult activities throughout the year. A community building, shelters, and picnic facilities add to the amenities. Recreational leagues provide area youth with the opportunity to play in several different organized programs. The Forum at Fishers is an indoor ice facility with two professional size rinks. A new YMCA facility has been proposed to round out the recreational facilities. The Fishers Freedom Festival and Parade is an event that fosters civic pride. Several golf courses in Fishers are open to the public. Geist and Morse Reservoirs offer recluse for the fisherman, boater, and water skier. Nationally recognized Conner Prairie Living History Museum and Deer Creek Amphitheater complement the cultural and recreational assets of Fishers. Nearby Indianapolis is home to the Indianapolis 500 and Brickyard 400 auto races, several professional athletic teams, and host to many world class amateur sporting events.

Town of Fishers

Delaware Park

The newest addition to business parks in Fishers is Delaware Park (1). The 130-acre project is located just north of 96th Street and fronts on I-69. The park's first tenant is the headquarters and operations center for Bank One Consumer Financial Services. The facility will initially house 700 employees. Situated immediately to the north of the park is Exit Five and the 1,800 employee operations center of USA Group.

The Town of Fishers has set the pace in Indiana and the Midwest for growth. Since 1990, the town has grown from 7,800 people to more than 30,000. Much of this growth has been fostered by the town's location in the I-69 corridor and its access to downtown Indianapolis. Growth management, planning, and a strong local economy has helped the town keep tax rates in check. Actions by the town and development community have also enabled the town to create an enviable quality of life. Schools are modern and parks are expanding. The town boasts a new library and ice skating complex.

Exit Five

Located in the heart of the Northeast Commerce Corridor is Exit Five (1), a 1,000-acre master-planned, mixed-use development by Sunbeam Development Corporation. The southern half of the site serves the needs of office users while the northern segment accommodates manufacturers, distributors and flex space users. Immediately north of Exit Five is Britton Business Park (2), home of Alliant Foodservice. To the west is Parkside (3), a 75-acre business park that fronts on SR 37.

Leading employers in Fishers include USA Group (1,800), Marsh (1,350), Charles Schwab (800), Bank One Consumer Financial Services (700), Universal Music Group (450), and Alliant Foodservice (350). Businesses seeking a community in which to grow and prosper will find Fishers a ready partner.
